

STICKS AND STONES AND BROKEN BONES

SHADOW PUPPETRY WORKSHOP

Barkly Regional Arts are inviting members of the community to be involved in a shadow puppetry workshop.

This year the Desert Harmony Festival theme is around key disability messages, and as part of this we are creating a digital showcase called 'Shadow Warriors'. It is about exploring the warrior hidden inside people with disabilities. This workshop will teach you how to create amazing shadow puppets.

This FREE workshop is for people working in organisations, or student leaders, who can then take these skills back to teach people they work with, young people and schools, so that the project can have a large community input.

'Shadow Warriors' will be large scale projected onto sides of buildings and at festival venues.

THURSDAY 23RD APRIL

VENUE: Civic Hall

TIME: 3pm

DURATION: 50 minutes

Max 25 participants.

You will need to register
